Village Nurseries Introduces PDSI's Encore® Azaleas for Landscape Professionals

As part of an ongoing commitment of providing new, superior plants to landscape architects and designers, Village Nurseries, a specialty wholesale grower for landscape professionals, today announced it will be carrying the Encore® Azaleas this spring as part of a licensing agreement with Plant Development Services, Inc. (PDSI)

Encore® Azaleas, introduced in 1996, is the world's best selling reblooming azaleas. The 25 varieties of Encore® azaleas bloom almost year round and offer a growth habit and bloom color for every landscape.
