

## **Fargesia sp. 'Rufa'**

### ***Sunset Glow***

A beautiful, upright, clumping bamboo. One of the most vigorous clumping varieties, 'Rufa' is an excellent and versatile bamboo. 'Rufa' has beautiful orange-red cane sheaths which accent the mid-green foliage. An excellent bamboo for the first timer!

**Zone** - 5a

**Exposure** – shade to part sun (more tolerant of sun in temperate climates)

**Ultimate Height** – 8-10'

**Spacing** – 5-8' on center

**Uses** – specimen, screen, container
