

THREE VILLAGE NURSERIES LANDSCAPE CENTERS ACQUIRED BY SITEONE LANDSCAPE SUPPLY

HOUSTON, Tex., March 20, 2018 –TreeTown USA announced today the sale of its Village Nurseries Landscape Centers in Orange, Huntington Beach, and Sacramento, California to SiteOne® Landscape Supply, Inc. (NYSE: SITE), the largest and only national wholesale distributor of landscape supplies in the United States.

Village Nurseries Landscape Centers is a leader in the distribution of nursery and related products to landscape professionals in these markets, and this acquisition further expands SiteOne’s footprint and nursery offerings in California.

TreeTown USA CEO Jonathan Saperstein stated, “The sale of the three landscape centers is being carried out with the strategic target of allowing us to focus more on our core business areas. This sale represents a key component for the company’s growth and furthers our long-term perspective within the scope of our corporate strategy aimed at consolidating our market position coast-to-coast.”

“Our Landscape Centers are a natural fit with SiteOne as they can now add nursery products to their existing irrigation, agronomic, hardscape and landscape lighting product lines in California,” explained David House, president of Village Nurseries. “At the same time, our Landscape Centers customers will now have access to SiteOne’s full selection of product lines while still being able to take advantage of the wide breadth of trees and shrubs we offer, many of which are patented or exclusive and not available at other wholesale nurseries and will continue to be available at these locations.”

About SiteOne Landscape Supply

SiteOne Landscape Supply (NYSE: SITE), based in Roswell, Ga., is the largest and only national wholesale distributor of landscape supplies in the United States and has a growing presence in Canada. Its customers are primarily residential and commercial landscape professionals who specialize in the design, installation and maintenance of lawns, gardens, golf courses and other outdoor spaces.
